

## ATTACHMENT TO ECONOMIC AND FISCAL IMPACT STATEMENT (Std. 399)

### B. Effect on State Government

4. Other – No fiscal impact. The proposed regulation language defines and clarifies the statutory mandates of Senate Bill 1801, Assembly Bill 2194, Assembly Bill 444 and Assembly Bill 832 for the seismic evaluation procedures and compliance deadlines in the California Building Standards Code (CBSC). The proposed language also clarifies seismic standards for building egress and utilities/system design in the CBSC.

State agencies subject to these regulations are the Department of Corrections (Correctional Treatment Center), California Youth Authority (Correctional Treatment Center), Department of Mental Health (State Hospitals), Department of Developmental Services (Developmental Centers), Department of Veteran's Affairs (Veteran's Hospitals and Nursing Homes) and the University of California (U.C. Hospitals).
